1.98(d), the Examiner is directed to the file of application Serial No. 07/955,012 for copies of the references cited therein.

Identification of the listed references is not to be construed an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. As an alternative, Applicants submit herewith several pages of a "revised form PTO 1449" entitled "List of References Cited" instead of "List of Prior Art Cited."

Applicants respectfully request that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(b), since this information disclosure statement is being filed within three months of the filing of this application or before the mailing date of a first Office Action on the merits, no fee is due in connection herewith.
